Block of the Month

### String Off Center Log Cabin

Let's have some really creative fun this month! The strip sizes you add can be any width.

Begin with a 4 1/2" dark print square.

Add a light strip of any width to the bottom and then another to the left side.

Do the same on the next row with dark fabrics

Complete with lights for the final rows.

OR you can change the light/dark run; Begin with a dark fabric, move to light, and end up with dark.

The final size should be 12 1/2" unfinished.
