

All Purpose Bags

For nursing homes or hospitals

Use: these bags can be used on walkers or wheel chairs or beds or to cover plastic bags of waste.

Cotton Fabric

Directions: Cut one piece of fabric 28 inches by 13 inches, and four pieces 12 inches by 4 inches.

Fold larger piece in half lengthwise and sew $\frac{1}{2}$ inch seam on the 12 inch side.

Hem the top of the bag by turning down $\frac{1}{4}$ inch and then $\frac{5}{8}$ and then sew in place.

Turn right side out.

Using the four smaller pieces, iron down sides and one end $\frac{1}{4}$ inch. Fold in half lengthwise and sew in place. Attach straps to bag leaving 8 inches in the center.
